

Santa Cruz River 2020 Cleanup.

(Update 3/15/20)

Santa Cruz River 2020 Cleanup.

Yes, we again need your help for this critically important annual event.

When: A Saturday, perhaps late April, but after our River recedes back within its banks letting the adjacent floodway areas dry sufficiently to become safe for Volunteers

Where: Likely to be within the Boundary of the Tumacacori National Historical Park

Special Consideration for 2020

If the site selected is indeed the one we are presently watching, then it will be more difficult for our Volunteers than ideal: It may be about a 15-20 minute walk to the site.

Partners:

-  Tumacacori National Historical Park
-  Anza Trail Coalition of Arizona
-  Santa Cruz County
-  Arizona Department of Environmental Quality
